September 3, 2014

Dear Premium Assistance Employer,

Idaho Medicaid's Premium Assistance Program is ending on September 30, 2014. Idaho Medicaid will no longer provide premium assistance through the Access to Health Insurance Program for your employees.

We are providing information directly to participants and insurance agents to notify them of the program's end and are encouraging participants to work with their employers if they would like to continue their policy and pay the balance of their premiums each month. Attached is a list of your employees that are affected by this program closure and a copy of the September notice we sent to your employees.

If you have questions or need more information, please call Cindy Brock in the Division of Medicaid at (208) 364-1983, or email her at brockc@dhw.idaho.gov.

Sincerely,

LISA HETTINGER
Administrator
