EMS Transition Course Information

Date of report: 4/10/2014

Report Description:
This report shows agencies and contact information for previously held transition courses. The agency may have a currently running course. This report will be updated regularly. Please be advised that some states may require specific educational criteria that Idaho does not. Please check with the State EMS licensing authority in the state in which you plan to seek licensure to ensure that your educational program meets their requirements.
