Basil Celany Living Center
Po Box 1016
Boise, ID 83701

Dear Ms.. Brady:

Congratulations to both you and your staff on your recent deficiency-free health care survey. In today's world with numerous regulations, it is indeed impressive to see a facility functioning as a team at this level.

Continuing to meet the needs of your residents – while meeting the administrative needs of your business – is a daily commitment to quality ongoing assessment, service planning, and consistent provision of services to each and every resident. The greater challenge is, of course, to be able to work as a team to provide this high level of caring and service day after day, week after week, year after year.

Again, **Congratulations** to you and your staff for a job well done. I challenge you to keep this same high standard.

Sincerely,

Debra Ransom
