Transport	4	4	-	-	-	-	-	4	-	-
Other*	6	6	-	-	-	-	-	4	2	-

Note: Race and Hispanic origin of the decedent are reported separately on the Idaho death certificate. Persons of Hispanic origin may be of any race. The number of deaths for Hispanics should be interpreted with caution. According to the National Center for Health Statistics (NCHS), Hispanic ethnicity is underreported on the death certificate, and there are inconsistencies in reporting Hispanic origin on the death certificate as compared with ethnicity on censuses, surveys, and birth certificates.
