Reports of HIV positive and AIDS cases should be made to the Office of Epidemiology and Food Protection as required by Idaho Code 39-602. Data collection and publication is made possible through a federal grant from the Centers for Disease Control and Prevention, United States -- Department of Health and Human Services. Idaho statistics are posted on the Internet four times per year. To be placed on an e-mail alert group to signal you when a new issue is posted, please e-mail Allen Haumann at haumanna@dhw.idaho.gov.
