This table excludes cases of HIV or AIDS (HIV Stage 3) first diagnosed in other states. Data are provisional. Percentages may not equal 100 due to rounding. Reports of HIV and AIDS cases should be made to the Idaho Department of Health & Welfare as required by Idaho Code 39-602. Data collection and publication are made possible through a federal grant from the Centers for Disease Control and Prevention – Department of Health and Human Services. Idaho statistics are posted on the Internet four times per year. Interested parties may e-mail Allen Haumann at haumann@dhw.idaho.gov to be placed on an e-mail alert group to be signaled when each new issue of statistics is published.
