## **SECTION 2. STATEWIDE SERVICES**

### **STATEWIDE HIV PREVENTION INFORMATION**

---

*Contact Information:*

HIV Prevention Program Coordinator: Rebecca Schliep

Phone: (208) 334-5937

Fax: (208) 332-7346

[SchliepR@dhw.idaho.gov](mailto:SchliepR@dhw.idaho.gov)

The Idaho HIV Prevention program receives funding from the Centers for Disease Control and Prevention (CDC) under the grant PS 12-1201. The new five-year grant cycle began January 1, 2012. The focus of the new grant is to align state health departments with the National HIV/AIDS Strategy. The goals of this grant are to implement HIV prevention programs that will reduce new infections, increase access to care, improve health outcomes for people living with HIV, and promote health equality.

To achieve these goals, the state health departments receive funding to provide the following:

- 1) HIV testing
- 2) Comprehensive prevention for HIV positives
- 3) Condom distribution
- 4) Policy initiatives

The Idaho HIV Prevention Program is also required to conduct the following: 1) jurisdictional HIV prevention planning, 2) capacity building and technical assistance including training, and 3) program planning, monitoring and evaluation, and quality assurance.

For a list of HIV Prevention providers and funded prevention interventions, see following sections.

### **STATEWIDE HIV CARE INFORMATION**

---

Ryan White Programs are federally funded HIV/AIDS that exist in all states and territories. In Idaho, contractors are funded to provide statewide services including AIDS Drug Assistance Program (ADAP) and Ryan White Part B Medical Case Management. Additionally, there are three Ryan White Part C clinics that provide HIV medical care for Idaho residents.

#### *Ryan White Part B Funded Services*

*Online Support:* [www.safesex.idaho.gov](http://www.safesex.idaho.gov) (under “HIV Care and Treatment”)

*Contact Information:*

Bebe Thompson, Ryan White Part B Coordinator / ADAP Coordinator

### **Medical Case Management (MCM)**

An HIV Medical Case Manager is the “front door” to the HIV/AIDS care systems in Idaho. They can help individuals with HIV/AIDS access medical care, medications counseling, dental care and other HIV-related services. MCM service activities include the following:

- a) initial assessment of service needs;
- b) development of a comprehensive, individualized service plan;
- c) coordination of services required to implement the plan;
- d) client monitoring to assess the efficacy of the plan; and
- e) periodic re-evaluation and adaptation of the plan over the life of the client to ensure that client’s needs are met

Medical Case Management agencies oversee funding for the following:

#### **a) Emergency Financial Assistance**

Ryan White Part B provides funding for emergency food assistance, short term housing assistance (3 months), utility assistance (3 months) and medication assistance (payment for medications not covered by ADAP or insurance plans; cannot be used for co-pays). Access to these funds is provided through local Part B Medical Case Managers (see specific health district in this resource directory for contact information of the appropriate Medical Case Manager).

#### **b) Medical Transportation**

Ryan White Part B and Part C sites may provide transportation assistance to medical appointments, primarily using gas vouchers and bus tokens. Some agencies will transport clients to and from medical and support service appointments (see specific health district in this resource directory for appropriate Medical Case Manager).

### Medical Case Management Eligibility Requirements:

- 1) Client must be HIV positive and documentation (previous medical records, HIV Western Blot results, CD4+ counts) substantiating their HIV status must be on file with the contracting/subgrantee organization providing Ryan White Part B funded services (IDAPA 16.02.05)
- 2) Client must have an Idaho address and reside in the state (IDAPA 16.02.05).
- 3) Client must meet current income eligibility guidelines requiring that a client’s income must fall below 200% of the Federal Poverty Guidelines for ADAP, Medical Transportation and labs

- 4) Client must meet current income eligibility guidelines requiring that a client's income must fall below 200% of the Federal Poverty Guidelines for Medical Case Management services
- 5) Inmates of the State, or Federal Corrections system and immigration detainees, are not eligible for services under the Ryan White Part B Program (IDAPA 16.02.05)
- 6) Payment for medical services (if available) will only be available to those individuals who are not eligible for Medicaid, Medicare, or any other public or private insurance program.

**NOTE:** Clients *must* access employer-provided health insurance if eligible.

### **HIV Monitoring Labs**

RW Part B provides funding for payment of HIV monitoring and diagnostic labs consistent with the HRSA HIV Treatment Guidelines (see specific appropriate RW Part C clinic for appropriate Medical Case Manager contact information).

### **AIDS Drug Assistance Program (ADAP)**

In the State of Idaho, the AIDS Drug Assistance Program (ADAP) provides eligible Idahoans access to the prescription medication needed to manage and treat HIV. The Ryan White Part B Programs follows the federal guidelines, Section 2617 (b) (6) (F) of the Ryan White CARE Act when providing the AIDS Drug Assistance Program (ADAP). The current Idaho ADAP Formulary may be found at [safesex.idaho.gov](http://safesex.idaho.gov)

### **Idaho HIV State Prescription Assistance Program (IDAGAP)**

In an effort to ensure continued access to the prescription medication needed to manage and treat HIV, Idaho's RWPB Program created an HIV+ only State Prescription Assistance Program (SPAP) called IDAGAP. In this program, Idaho State general funds dedicated to ADAP, may be utilized for the payment of Medicare Part D Insurance co-pays and coverage gap (Donut Hole) payments for ADAP eligible clients who are enrolled in an Idaho Medicare Part D Drug Plan in accordance with the following requirements:

#### *IDAGAP Eligibility Requirements:*

- 1) Must be Idaho resident
- 2) Must be HIV positive
- 3) Must be eligible for Medicare
- 4) Must be enrolled in Medicare Part D Prescription Drug Plan
- 5) Please call Medicare at (800) 633-4227 or visit their website at: [www.medicare.gov](http://www.medicare.gov) for information regarding Medicare Part D drug plans

- 6) Must have income between 151% to 200% of Federal Poverty Level
- 7) If client is eligible for Low Income Assistance (LIS), they are eligible for IDAGAP
- 8) Must be participating in an Idaho HIV Medical Case Management Program (see specific health district for appropriate Medical Case Manager)

*Benefits of IDAGAP:*

- 1) IDAGAP works with all Idaho Medicare Part D Plans
- 2) IDAGAP uses the formulary of the Medicare Part D plans. Any drug covered by a member's Medicare Drug plan will also be covered by IDAGAP
- 3) IDAGAP will pay co-pay and coverage gap amounts until such time as individual reaches the Catastrophic Coverage Portion of the Part D Plan
- 4) IDAGAP will not pay premiums
- 5) IDAGAP assistance will cease when the Catastrophic Coverage Portion of Part D Plan is reached
- 6) Medicare Part D **excludible** drugs are not covered by IDAGAP.

*Ryan White Part C Clinics*

The three RW Part C clinics that cover Idaho include: Community Health Associates of Spokane (CHAS), Family Medicine Health Center (Wellness Center) and Pocatello Family Medicine.

**Community Health Associations of Spokane (CHAS)**

924 South Pines  
Spokane Valley, Washington 99206  
(509) 444-8200

Provides Ryan White Part C-funded HIV medical care for people living in northern Idaho (Health Districts 1 and 2). CHAS is located in Spokane, Washington.

*Eligibility:*

- 0-100% FPL= no co-pay
- 100-133% FPL= Sliding Fee 20%
- 134-150% FPL= Sliding Fee 40%
- 151-175% FPL= Sliding Fee 60%
- 176-200% FPL= Sliding Fee 80%

*Available Services (for Idaho residents):*

- HIV Primary Care (provided in-house)
- Referral for health care and supportive services (in-house) (CHAS does not pay for any specialty care such as MRI and cancer treatment)
- Local pharmacy (provides all medications with small co-pays)
- Early Intervention Services counseling and HIV testing (in-house)
- Clinic-based medical case management and non-medical case management
- Oral health care (in-house and referral with payment assistance)
- Mental health (via referral with payment assistance)
- Medical nutrition (in-house)
- Medical Transportation (gas vouchers)
- Health Education and Risk Reduction (in-house)
- Linguistic Services (medical interpreters or language line)

**Family Medicine Health Center (Wellness Center)**

6094 West Emerald  
Boise, Idaho 83704  
(208) 514-2505

Provides Ryan White Part C-funded HIV medical care for people living in southwestern Idaho (Health Districts 3, 4 and 5). Clinicians and Medical Case Managers travel to Twin Falls (Health District 5) one time per month.

*Eligibility:*

0-100% FPL= no co-pay  
100-133% FPL= Sliding Fee 20%  
134-150% FPL= Sliding Fee 40%  
151-175% FPL= Sliding Fee 60%  
176-200% FPL= Sliding Fee 80%

- If privately insured, no assistance
- Payment for HIV monitoring labs for uninsured for patients 0-300% FPL
- Clients  $\leq$ 200 FPL are eligible for ADAP and Ryan White Part B

*Available Services:*

- HIV primary care, diagnostic and monitoring labs (in-house)
- Local pharmacy
- Early Intervention Services counseling and HIV testing (in-house)
- Clinic-based medical case management and non-medical case management (all clients have medical case management whether by nurses or other case manager; not all clients receive non-medical case management)
- Oral health care (via referral with payment assistance for uninsured)
- Mental health (in-house and via referral with payment assistance for uninsured)
- Medical nutrition (in-house)
- Medical Transportation (gas vouchers or Boise City bus passes)
- Health Education and Risk Reduction (in-house)Linguistic Services (medical interpreters or language line)

## **Pocatello Family Medicine**

465 Memorial Drive  
Pocatello, Idaho 83201  
(208) 282-4700

Provides Ryan White Part C-funded HIV medical care for people living in southeastern Idaho (Health Districts 6 and 7). An Infectious Disease Physician provides services on the first and third Tuesdays of each month. Clients may see a Nurse Practitioner every Tuesday. All patients regardless of insurance status can request to visit with the LPN or pharmacist Monday through Friday from 8:00 a.m. - 5:00 p.m.

### *Eligibility:*

0-100% FPL= no co-pay  
101-150% FPL= 25% of charge  
150-175% FPL= 50% of charge  
175-200% FPL = 75% of charge  
>200% FPL = 100% of charge

- If privately insured, no assistance
- Payment for labs for uninsured clients (0-300% FPL)
- Clients  $\leq$ 200 FPL are eligible for ADAP and Ryan White Part B
- Clients between 200-300% FPL are eligible for assistance based on availability of funds through Part C

### *Available Services (subject to available funding):*

- HIV primary care, diagnostic and monitoring labs (in-house)
- Local pharmacy
- Early Intervention Services counseling and HIV testing (in-house)
- Clinic-based medical case management and non-medical case management (all clients have medical case management whether by nurses or other case manager; not all clients receive non-medical case management)
- Oral health care (in-house and referral with payment)
- Mental health (via referral with payment)
- Medical nutrition (in-house)
- Medical Transportation (gas vouchers)
- Health Education and Risk Reduction (in-house)
- Linguistic Services (medical interpreters or language line)
- Hepatitis C treatment
- OB and gynecological care

## *Other HIV Care Resources*

### **Home Health Care**

Medicaid, Medicare and private insurance provides for Home Health Care for elderly or people living with a chronic disability or someone recovering from an illness, injury or surgery. Clients must be Medicaid eligible for long-term care or have Private Long-Term

Care Coverage. Medicare and most private insurance companies only provide short-term assistance. Coverage under Home Health Care requires licensed medical provider

### **Home/Community-Based Health**

Home/Community-Based health is provided for by the federal government, the state of Idaho and through private fees. Such coverage is for elderly and disabled individuals in need of in-home medical and everyday assistance. Services include assistance with everyday tasks (i.e. meals and bathing).

### **Medical Transportation**

Medicaid recipients are eligible for medical transportation. For more information, please go to <http://www.idahonemt.net/>.

### **Emergency Financial Assistance**

Emergency financial assistance is provided through federal and state funds as well as donations. Cash assistance through the Idaho Department of Health and Welfare is available for those living 133% under the federal poverty level. Community Action Partnerships vary throughout the state. For more information, please contact your local Community Action Partnership by calling 211 or going to [www.idahocommunityaction.org](http://www.idahocommunityaction.org).

### **Mental Health Services**

Mental health services are provided by Medicaid, Medicare and private insurance. Medicaid targets children and adults with mental illness through crisis teams, medication management, counseling and psychosocial rehabilitation. Private insurance usually covers counseling and medication services, but does not cover behavioral health services.

### **Medical Nutrition Therapy**

The Idaho Food Stamp Program helps low-income families buy the food they need in order to stay healthy. An eligible family receives an Idaho Quest Card, which is used in card scanners at the grocery store. The card uses money from a Food Stamp account set up for the eligible family to pay for food items.

*Eligibility:* In order to receive food assistance, certain eligibility requirements must be met in areas such as, citizenship/immigration status, income, resources, work requirements, and other areas based on your household's circumstances. Resources must be under \$5,000 to qualify for Food Stamps (resources include, but are not limited to, cash, bank accounts, stocks, bonds, real property, household vehicles, and recreational vehicles).

### **Outpatient Substance Use Services**

Providers of outpatient substance use services vary greatly throughout Idaho. Payer sources include public, federal and state funds, private fees, donations and fundraisers.

For more information, please visit

<http://www.healthandwelfare.idaho.gov/Medical/SubstanceUseDisorders/tabid/105/Default.aspx> or see specific health district information in this resource directory.

### **Housing**

Housing Opportunities for Persons with AIDS (HOPWA) is a federally funded program providing housing assistance for people with HIV (see specific health districts in this resource directory for HOPWA contact information).

### **Childcare Services**

USDA, TANF and DHHS provide childcare services. Eligibility varies by program (see specific health districts in this resource directory for contact information).

### **Legal Services and Permanency Planning**

Federal and Idaho Legal Aid and court assistance programs are available statewide for individuals at or below 125% FPL (see specific health district for contact information).

There is a Senior Advice Line for individuals 60 years or older.

1-866-345-0106 or Español 1-866-954-2591 (toll free)

Monday and Thursday 8:30am - 11:30am (Pacific Standard Time)

A Domestic Violence hotline is available for individuals age 59 or younger and for victims of domestic violence.

1-877-500-2980 (toll free)

Monday-Friday 8:30 a.m. - 2:30 p.m. (Pacific Standard Time)

### **Linguistic Services**

This service is available through district public health agencies, private agencies, nationwide translation via phone and paid interpretation.

### **Respite Care/Rehabilitation**

This service is available to Medicaid eligible elderly and disabled individuals.

## **LOW INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP) - STATEWIDE**

---

LIHEAP provides funding to help low-income households with winter heating bills and energy needs. The program is available November 1 through March 31, depending on funding availability.

Eligibility for the program is based upon income.

For more information, please contact your local Community Action Partnership by calling 211 or going to [www.idahocommunityaction.org](http://www.idahocommunityaction.org).

## HIV AND VIRAL HEPATITIS PATIENT ASSISTANCE PROGRAM

---

Many drug manufactures offer patient assistance programs, which can greatly decrease the costs of HIV medications and hepatitis treatment. The requirements for program eligibility vary. Some programs may be applied for directly by the patient; other program applications must be initiated by the healthcare provider (physician, pharmacist, or agency).

The Common Patient Assistance Program Application allows uninsured individuals living with HIV to use one application to apply for multiple assistance programs that together provide an entire course of antiretroviral therapy. The application can be found at

<http://hab.hrsa.gov/patientassistance/index.html>

## HEPATITIS INFORMATION

---

### Hepatitis C Helpline

A national toll-free helpline is available for people affected by hepatitis C: 877-HELP-4-HEP (877-435-7443).

HELP-4-HEP is a partnership among several well-known and nationally recognized nonprofits with a combined 90+ years' experience in hepatitis C education, support and patient advocacy. Unique to 877-HELP-4-HEP (877-435-7443) are specially trained peer counselors using a structured approach to help callers navigate through screening, diagnosis, medical evaluation, and treatment. Follow-up contact by the counselors keep callers engaged at each step of their journey and help them make and follow through with their hepatitis C related decisions. 877-HELP-4-HEP (877-435-7443) operates Monday through Friday 9:00am to 7:00pm EST.

To learn more, visit [www.help4hep.org](http://www.help4hep.org) or email [info@help4hep.org](mailto:info@help4hep.org).

### The Hepatitis Education Project

The Hepatitis Education Project of Seattle, Washington offers free classes on hepatitis C for chemical dependency counselors and other interested groups in Idaho.

Topics of the curriculum will include:

- Overview of the liver & its role in the body
- Overview of hepatitis A, B, & C
- Natural history of hepatitis C
- Symptoms of hepatitis C
- Testing for hepatitis C
- Treatment options for hepatitis C
- Specialized counseling messages

INTERESTED? Contact Michael Ninburg at [mhninburg@hepeducation.org](mailto:mhninburg@hepeducation.org) or call 1-800-218-6932 to find out how your organization can participate.

### Idaho AIDS Education and Training Center (AETC)

The Northwest AETC's State Office in Idaho is housed at Idaho State University/Meridian (ISU/Meridian) within the Master of Public Health program. Through a collaborative relationship with the local Ryan White HIV/AIDS Treatment Modernization Act, Part C clinic located at the Family Medicine Health Center, ISU/Meridian serves the training needs of rural clinics throughout the state.

#### *Contact Information:*

Judy A. Thorne, MPA, HIV Education Coordinator  
Idaho State University/Meridian  
1311 East Central Drive  
Meridian, Idaho 83642  
(208) 373-1710  
[thorjudy@isu.edu](mailto:thorjudy@isu.edu)

Program Focus: HIV education for Idaho health care providers

Populations Served: Physicians, nurses, physician assistants, pharmacists, dentists, dental hygienists

Funding Source: Health Resources and Services Administration

Program Focus: HIV/HCV/Co-infection

### Idaho Hepatitis Information Program

The Idaho Hepatitis Prevention Program is managed by the Hepatitis Prevention Coordinator (VHPC). The VHPC coordinates activities aimed to increase awareness and knowledge about transmission of hepatitis, increase hepatitis A and B vaccinations for at-risk adults, coordinate community screenings, and decrease the overall incidence of hepatitis infections. The VHPC collaborates with the HIV prevention, HIV care, STD, and Family Planning programs to provide support to district health departments, community-based organizations, and drug treatment centers.

**STATEWIDE SUBSTANCE USE DISORDER INFORMATION**

---

The Idaho Department of Health and Welfare provides funds to treatment providers throughout the state. For more information, visit  
<http://www.healthandwelfare.idaho.gov/Medical/SubstanceUseDisorders/tabid/105/Default.aspx>

Call 1-800-922-3406 for a screening and referral to an approved treatment facility; it is possible to be assisted with the call at the facility.

---

**IDAHO STATE DEPARTMENT OF EDUCATION RESOURCES**

---

Idaho State Department of Education and Idaho Public Schools strives to protect the safety and health of children and youth in our care, as well as their families, our employees, and the public. The Idaho Department of Education receives funds through a cooperative agreement with the Centers for Disease Control and Prevention- Division of Adolescent and School Health (CDC/DASH). These funds allow the DOE to provide educational resources, technical assistance, and staff development opportunities for the development and promotion of youth (PreK-12) prevention education programs, with an emphasis on preventing HIV and other sexually transmitted infections (STIs). The program is designed to expand and strengthen the capacity of local education agencies to plan, implement and evaluate the effectiveness of health education, including HIV/STD education. In 2011, The Idaho State Department of Education, HIV Prevention Program updated the guidance for education policies regarding HIV Infection.

The guidance is a tool for schools to use to assure families, students, and school staff members the serious issues raised by HIV infection.

For more information, please visit the Department of Education's HIV Prevention Program website at: [http://www.sde.idaho.gov/site/csh/hiv\\_std.htm](http://www.sde.idaho.gov/site/csh/hiv_std.htm)

## THE IDAHO ADVISORY COUNCIL ON HIV AND AIDS

---

### Background:

IACHA uses a community planning process to develop a comprehensive HIV and viral hepatitis plan that involves state and local agencies, non-governmental organizations, and representatives of communities and groups at risk for HIV infection and/or already infected. Mountain States Group is contracted by the state HIV Prevention program and HIV Care program to support the work of IACHA.

IACHA's decisions are based on several sources of data including the following:

- Epidemiological profiles of those infected in Idaho
- Population and community-specific needs assessments
- Studies of what interventions have proven to be successful in reducing HIV and caring for those living with HIV and AIDS
- Number of clients in HIV care

### Contact Information:

[www.aidsmeds.com](http://www.aidsmeds.com)

This website provides information about HIV/AIDS, prevention, treatment and HIV in the news. There is information provided in Spanish as well. Also, there are links to POZ Magazine.

### **American Liver Foundation**

[www.liverfoundation.org](http://www.liverfoundation.org)

1-800-465-4837

Provides education about all liver diseases, including viral hepatitis. AFL produces brochures and other educational resources which are available from the website as electronic documents. Counselors are available via phone Monday through Friday 8:00 AM – 4:00 PM (CT); 7:00 AM – 3:00 PM (MT).

Centers for Disease Control and Prevention: Division of Viral Hepatitis  
National center for infectious diseases. Site includes information on hepatitis A, B, C, D, and E. Downloadable factsheets are available from the website.

### **The Body**

[www.thebody.com](http://www.thebody.com)

This website provides a wide range of HIV/AIDS related information including HIV information, HIV testing, HIV medications and side effects, information for those newly diagnosed and personal stories.

### **Family Planning, STD and HIV Programs**

[www.safesex.idaho.gov](http://www.safesex.idaho.gov)

This website provides information about HIV care services in Idaho.

[www.nakedturth.idaho.gov](http://www.nakedturth.idaho.gov)

This website provides information about preventing HIV and STD in Idaho

[www.inspot.org](http://www.inspot.org)

This website provides information about how to inform sexual partners they have been exposed. Clients may also email confidential notification of exposure to sexual partners.

### **HCV Advocate**

[www.hcvadvocate.org](http://www.hcvadvocate.org)

Provides unbiased information, support, and advocacy to all communities affected by HCV and HIV/HCV coinfection, including medical providers.

## **Health and Human Services Administration (HRSA) / HIV /AIDS Bureau (HAB)**

<http://www.hab.hrsa.gov/>

This website provides information about the Ryan White Program.

## **Hep B Moms**

<http://www.hepbmoms.org/>

HepBMoms is a unique online resource for pregnant mothers, perinatal hepatitis B prevention program coordinators, healthcare providers, and anyone who is concerned about hepatitis B.

## **Hep C Connection**

[www.hepc-connection.org](http://www.hepc-connection.org)

1-800-522-4372

Provides education to general public, and resources and support for those infected by the virus. Some resources are available in Spanish.

## **Hepatitis B Foundation**

<http://www.hepb.org/>

(215) 489-4900

Foundation commitment includes funding focused research, promoting disease awareness, supporting immunization and treatment initiatives, and serving as the primary source of information for patients and their families, the medical and scientific community, and the general public.

## **Hepatitis C Support and Resources**

[www.hepcnet.net](http://www.hepcnet.net)

Site offers information on nutrition and hepatitis C, hepatitis C tests, scoring systems for chronic liver disease, and a comprehensive frequently asked questions.

## **Hepatitis Foundation International**

[www.hepatitisfoundation.org](http://www.hepatitisfoundation.org)

1-800-891-0707

HFI provides education, training programs, and materials for the public, patients, educators, and medical professionals about liver wellness and the diagnosis, treatment, and prevention of viral hepatitis.

## **HIV and Hepatitis Treatment Advocates**

[www.hivandhepatitis.com](http://www.hivandhepatitis.com)

Online publication with free e-mail updates.

## **HIV Positive**

[www.hivpositivemagazine.com](http://www.hivpositivemagazine.com)

This website is reflective of the print version of the HIV Positive Magazine providing HIV/AIDS hotline information, HIV basics, profiles of people living with HIV/AIDS, magazine articles and payment for HIV treatment information.

**Immunization Action Coalition**

[www.immunize.org](http://www.immunize.org)

Comprehensive source of immunization information for health professionals for the general public and highlights of preventive programs. IAC Express and HEP Express are e-newsletters.

**Know More Hepatitis**

[www.cdc.gov/KnowMoreHepatitis](http://www.cdc.gov/KnowMoreHepatitis)

To decrease the burden of chronic viral hepatitis, CDC's Division of Viral Hepatitis is developed a national education campaign called Know More Hepatitis. The campaign is aimed at increasing awareness about this hidden epidemic and encouraging people who may be chronically infected with Hepatitis C to get tested.

**Latino Organization for Liver Awareness**

[www.lola-national.org](http://www.lola-national.org)

1-888-367-5652

Bilingual bicultural organization dedicated to raising awareness on liver disease through informational materials, prevention and education community outreach programs, treatment and referral services, support groups, quarterly newsletters, HCV Prison Educational Presentations and HCV Public Education Campaigns to the Latino and American communities and other underserved populations who suffer from liver disease in the United States.

**Liver Health Today**

[www.LiverHealthToday.org](http://www.LiverHealthToday.org)

Print magazine about hepatitis published bi-monthly. Some articles are available online.

**Memorial Sloan Kettering**

[www.mskcc.org/aboutherbs](http://www.mskcc.org/aboutherbs)

Scientific information about herbs, their side effects and drug interactions. Maintained by experts at Memorial Sloan Kettering.

**National Digestive Disease Information Clearinghouse**

<http://digestive.niddk.nih.gov/ddiseases/pubs/hepatitis/index.htm>

1-800-891-5389

Site provides information on hepatitis A, B, and C. Pamphlets are available for electronic download in English and Spanish.

**National Alliance of States and Territorial AIDS Directors (NASTAD)**

<http://www.nastad.org/>

This website includes programs across the United States that work to prevent hepatitis A, B, or C in people who are at risk for infection. The site also features general information on hepatitis B and hepatitis A vaccination, special topics related to viral hepatitis, and links to other organizations and resources.

**National Center for Contemporary and Alternative Medicine**

<http://nccam.nih.gov/health/hepatitisc/>

1-888-644-6226

Website provides information on complementary and alternative medicine. Information is available as an electronic download and available in Spanish.

**Parents of Kids with Infectious Diseases**

[www.pkids.org](http://www.pkids.org)

Resource for parents and professionals. Includes information on hepatitis.

**Pri-Med Patient Education Center**

<http://www.patienteducationcenter.org/asp/HealthELibrary/HealthETopic.aspx?cid=195726&searchstr=hiv>

This website provides broad health related information. There is a specific section (HIV/AIDS) that provides HIV and AIDS related information.

**POZ Digital**

<http://www.poz.com>

This website is the digital version of the monthly magazine that provides broad information about HIV and AIDS. It is available in Spanish as well.

**Project Inform**

<http://www.projinf.org/>

This website provides information, inspiration and advocacy for people living with HIV/AIDS. Additionally, they provide a toll-free hotline for people to call and ask questions.

**Web MD**

<http://www.webmd.com/hiv-aids/default.htm>

This website provides broad health related information. There is a specific section (HIV and AIDS Health Center) that provides HIV and AIDS related information.

**Veterans Affairs National Hepatitis C**

[www.hepatits.va.gov](http://www.hepatits.va.gov)

Website provides information on hepatitis C, testing options, information for those living with HCV, treatment decisions, and information for those just diagnosed.

### **HIV PREVENTION PROVIDERS**

---

#### **About Balance Mental Health, LLC**

6550 West Emerald Street, Suite 108  
Boise, Idaho 83704  
(208) 342-6300 (office phone)  
(208) 342-6301 (fax)  
PSR/CM Supervisor: Nichole Oprins  
[Nichole@aboutbalance.net](mailto:Nichole@aboutbalance.net)  
<http://www.aboutbalance.net>

#### **Comprehensive Risk Counseling and Services (CRCS)**

CRCS is intensive, individualized, client-centered counseling for adopting and maintaining HIV risk reduction behaviors. CRCS is designed for persons living with HIV and for HIV-negative individuals who are at high risk for acquiring or transmitting HIV and STDs. CRCS is appropriate for persons who struggle with issues such as substance use and abuse, physical and mental health, and cultural factors that affect HIV risk. The ultimate goal of the CRCS program is to enact behavior changes or modifications that will reduce the risk of HIV transmission or acquisition. Contact About Balance to schedule a screening appointment. This service is free of charge to the client.

#### **Condom Distribution**

Contract funds are provided for contractors to purchase condoms and distribute them to clients at no charge.

#### **Allies Linked for the Preventing of HIV and AIDS (a.l.p.h.a.)**

213 N. 10<sup>th</sup> Street  
Boise, Idaho 83702  
(208) 424-7799 (office phone)  
(208) 424-8158 (fax-call before faxing)  
Executive Director: vacant  
<http://www.alphaidaho.org/>

### **Community Based HIV Testing**

Free HIV testing is offered at the a.l.p.h.a. office location, at various planned sites and planned events. Call the a.l.p.h.a. office or see their Website for details.

### **Condom Distribution**

Contract funds are provided for contractors to purchase condoms and distribute them to clients at no charge. Condom distribution activities can be considered a structural intervention and contractors have the option of distributing condoms to agencies, businesses, and organizations that provide services to at-risk populations.

### **HIV Prevention for HIV-Negative Persons -Personalized Cognitive Counseling (PCC)**

PCC is an HIV prevention intervention for men who have sex with men (MSM) who have previously had HIV risk reduction counseling, recently tested negative for HIV, and have had unprotected anal intercourse in the last 12 months. PCC helps MSM identify self-justifications that allow them to continue engaging in risky behavior. PCC is offered in a single 30 to 50 minute counseling session and is free of charge to the client. About Balance accepts referrals for PCC.

### **HIV Prevention for HIV-Negative Persons- Mpowerment**

Outloud is a community-building program, organized by and for young gay and bisexual men, ages 18-29. The project is adapted from the Mpowerment model and is an intervention that has met the Center for Disease Control and Prevention's criteria for an effective behavior intervention. It has also been recommended by the Idaho Advisory Council on HIV and AIDS. The goal of the intervention is to encourage gay and bi-sexual men to reduce their sexual risk taking through encouraging regular HIV testing and build positive social connections.

### **Central District Health Department**

707 North Armstrong Place  
Boise, Idaho 83704  
(208) 375-5211 (main office)  
(208) 327-8500 (fax)  
Physical Health Director: Lorraine Fortunati  
<http://www.cdhd.idaho.gov/>

**Clinical HIV Counseling, Testing, and Referral Services (CTRS)** Provides HIV testing and targets testing based on Selective Screening Criteria: MSM/IDU, MSM, IDU, Sex partner at risk, Child of HIV+ woman, STD diagnosis, Sex for drugs/money, pregnant, active TB diagnosis. Cost is based on a sliding scale fee.

### **HIV Partner Services**

This intervention is offered to persons who have tested positive for HIV. Partners of positives are voluntarily solicited and attempts are made to locate, test, and refer partners for prevention services.

### **Condom Distribution**

Contract funds are provided for contractors to purchase condoms and distribute them to clients at no charge. Condom distribution activities can be considered a structural intervention and contractors have the option of distributing condoms to agencies, businesses, and organizations that provide services to at-risk populations.

### **HIV PREVENTION PROVIDERS**

---

#### **Positive Connections**

417 Shoup Avenue West #A  
Twin Falls, Idaho 83301  
(208) 737-9999 (office phone)  
Director: Cynthia Lynn Opdycke

#### **Comprehensive Risk Counseling and Services (CRCS)**

CRCS is intensive, individualized, client-centered counseling for adopting and maintaining HIV risk reduction behaviors. CRCS is designed for persons living with HIV and for HIV-negative individuals who are at high risk for acquiring or transmitting HIV and STDs. CRCS is appropriate for persons who struggle with issues such as substance use and abuse, physical and mental health, and cultural factors that affect HIV risk. The ultimate goal of the CRCS program is to enact behavior changes or modifications that will reduce the risk of HIV transmission or acquisition. Contact Positive Connections to schedule a screening appointment. This service is free of charge to the client.

#### **South Central Public Health District**

1020 Washington Street North  
Twin Falls, Idaho 83301  
(208) 737-5900 (main office)  
(208) 734-9502  
Physical Health Director: Cheryl Becker  
HIV Prevention Coordinator: Mary Jensen  
<http://www.phd5.idaho.gov/>

**Clinical HIV Counseling, Testing, and Referral Services (CTRS)** Provides HIV testing and targets testing based on Selective Screening Criteria: MSM/IDU, MSM, IDU, Sex partner at risk, Child of HIV+ woman, STD diagnosis, Sex for drugs/money, pregnant, active TB diagnosis. Cost is based on a sliding scale fee.

### **Community Based HIV Testing**

Free HIV testing is offered at locations where high risk persons are more likely to be found in the community.

Sites proposed for alternate site testing: 4

1) Twin Falls County Jail, 2) Walker Center-Adult, 3) Snake River Juvenile Detention Center, 4) Minicassia County Jail 5) Scheduled HIV testing Clinics

### **HIV Partner Services**

This intervention is offered to persons who have tested positive for HIV. Partners of positives are voluntarily solicited and attempts are made to locate, test, and refer partners for prevention services.

### **Condom Distribution**

Contract funds are provided for contractors to purchase condoms and distribute them to clients at no charge. Condom distribution activities can be considered a structural intervention and contractors have the option of distributing condoms to agencies, businesses, and organizations that provide services to at-risk populations.

#### **HIV Prevention for HIV-Negative Persons -Mpowerment**

The Genesis Project is a community-building program, organized by and for young gay, bisexual, and curious men, ages 18-35. The project is adapted from the Mpowerment model and is an intervention that has met the Center for Disease Control and Prevention's criteria for an effective behavior intervention. It has also been recommended by the Idaho Advisory Council on HIV and AIDS. The main goal of Genesis project is to create a safer and stronger community in Southeast Idaho where young men can feel empowered to make a difference in their own lives, the lives of their peers, and their community. They promote making healthy and safe lifestyle choices. One of the main focuses is HIV and STD prevention. At Genesis, the goal is to provide gay, bi, and curious men with all the information and tools necessary to make smart decisions and lead a healthy life.

(208) 522-0310 (office)  
(208) 525-7063 (fax)  
<http://www.phd7.idaho.gov/>

### **HIV PREVENTION PROVIDERS**

---

#### **Eastern Idaho Public Health District**

1250 Hollipark Drive  
Idaho Falls, Idaho 83401  
(208) 533-3213  
(208) 525-7063 (fax)  
Physical Health Director: Gary Rillema  
Reproductive Health Supervisor: Nikki Sayer  
<http://www.phd7.idaho.gov/>

**Clinical HIV Counseling, Testing, and Referral Services (CTRS)** Provides HIV testing and targets testing based on Selective Screening Criteria: MSM/IDU, MSM, IDU, Sex partner at risk, Child of HIV+ woman, STD diagnosis, Sex for drugs/money, pregnant, active TB diagnosis. Cost is based on a sliding scale fee.

#### **Community Based HIV Testing**

Free HIV testing is offered at locations where high-risk persons are more likely to be found in the community. Special free testing events will be held in conjunction with National HIV Testing Day and World AIDS Day. EIPHD also offers free testing to partners of positives.

Sites proposed for community based testing: 10

- 1) Work Release, 2) County Jail, 3) ARA, 4) PFLAG, 5) Drug Court, 6) Genesis Project – Idaho Falls, 7) Partner of Positives, 8) Wood Pilot Project, 9) Community Family Clinic, 10) World AIDS Day

#### **HIV Partner Services**

This intervention is offered to persons who have tested positive for HIV. Partners of positives are voluntarily solicited and attempts are made to locate, test, and refer partners for prevention services.

### **Condom Distribution**

Contract funds are provided for contractors to purchase condoms and distribute them to clients at no charge. Condom distribution activities can be considered a structural intervention and contractors have the option of distributing condoms to agencies, businesses, and organizations that provide services to at-risk populations.

### **Idaho State University-Pocatello**

The Genesis Project  
990 South 8<sup>th</sup> Street  
Pocatello, Idaho 83209  
(208) 282-5312 (office)  
(208) 282- 4279 (fax)  
Project Supervisor: Rick Pongratz, PhD ((208) 282-5312 ext. 2130)  
Prevention Project Co-Coordinator: Derrick Capson and Brandon Hughes  
<http://www.genesisproj.com/>  
[info@genesisproj.com](mailto:info@genesisproj.com)

### **HIV Prevention for HIV-Negative Persons -Mpowerment**

The Genesis Project is a community-building program, organized by and for young gay, bisexual, and curious men, ages 18-35. The project is adapted from the Mpowerment model and is an intervention that has met the Center for Disease Control and Prevention's criteria for an effective behavior intervention. It has also been recommended by the Idaho Advisory Council on HIV and AIDS. The main goal of Genesis project is to create a safer and stronger community in Southeast Idaho where young men can feel empowered to make a difference in their own lives, the lives of their peers, and their community. They promote making healthy and safe lifestyle choices. One of the main focuses is HIV and STD prevention. At Genesis, the goal is to provide gay, bi, and curious men with all the information and tools necessary to make smart decisions and lead a healthy life.
