

Mandatory Reporting Laws in Idaho

Wednesday, June 6, 2012

12:00 PM – 1:30 PM (Pacific Time)

1:00 PM – 2:30 PM (Mountain Time)

About this Webinar

The purpose of this webinar is to update the Idaho Health Department Title X family planning staff on the mandatory reporting laws related to child abuse; including sexual abuse, rape and/or incest as it relates to serving young clients in a clinical setting. This webinar will include a review of the current mandatory reporting laws along with resources available for community referrals. Question and answer time will be included in this 90-minute webinar session.

Who Should Attend

This webinar is designed for all Idaho Health Department Title X family planning staff and any other community health agencies in Idaho who serve youth.

Learning Objectives

By the end of this workshop participants will be able to:

1. Identify Idaho mandatory reporting laws related to child abuse, including sexual abuse, rape, and/or incest.
2. Describe the basic requirements for making a Child Protective Service (CPS) report.
3. Identify key referral resources related to Idaho mandatory reporting requirements.

Panel Members
