

Do you remember?

Wouldn't it be great if someone else could help you keep track of you or your child's immunizations?

 IRIS, Idaho's statewide immunization registry can help you remember what immunizations have been received and what immunizations will be needed in the future.

What is IRIS?

- Idaho's Immunization Reminder Information System.
- IRIS is a statewide system to help you and your healthcare provider keep track of your family's immunization records.
- IRIS is completely confidential and secure; your information can only be accessed by enrolled healthcare providers, schools or child care programs.

Who can be enrolled in IRIS?

• Anyone of any age receiving medical care in Idaho.

How do you or your child get into IRIS?

- All children born in Idaho are added to IRIS at birth.
- Your medical provider can add your family's immunization records into IRIS if they are not in the registry.

How will IRIS help me?

- If you move, your new medical provider, school, or child care provider, can retrieve your or your child's immunization record.
- If your or your child's immunization record is lost, any enrolled medical provider, school, or child care provider can retrieve and print an official copy of your or your child's immunization record.
- School and childcare providers can retrieve and print an official copy of your child's immunization record.
- IRIS reduces the chance of having incorrect or additional immunizations given due to incomplete records.
- Immunization schedules are complex; IRIS helps your healthcare provider keep track of which shots are due and when.

What information is entered into IRIS?

The following information is needed to identify you or your child in IRIS:

- Full name
- Birthdate
- Gender
- Mother's maiden name
- Guardian's first name (when applicable)

- Address
- Phone number
- Information which may determine if your child is eligible for free vaccine
- Your child's current shot record and any previous shots that have been given
- Vaccine deferrals and exemptions

Who has access to my or my child's immunization record through IRIS?

- You (through an enrolled site)
- Enrolled healthcare providers
- Enrolled schools and childcare providers

How can I get more information?

You can obtain more information about IRIS from:
