## REGISTRATION OF NOTICE OF COMMENCEMENT OF PATERNITY PROCEEDINGS FOR FATHERS OF CHILDREN BORN OUT-OF-WEDLOCK

## INFORMATION

In order to claim rights of paternity, fathers of children born out-of-wedlock must commence proceedings to establish paternity AND file notice of his commencement of proceedings to establish his paternity with the Vital Records, Idaho Department of Health and Welfare, P.O. Box 83720, Boise, Idaho, 83720-0036. The Idaho legislature passed a law (Section 16-1513, <u>Idaho Code</u>) to enable fathers of children born out-of-wedlock to declare their paternal rights and intent to support the child to the best of their ability. Registration should be done at any time prior to the birth of such child or at least prior to the date of any proceeding wherein the child is placed with an agency licensed to provide adoption services. If such fathers do not register, and the child is adopted, all paternal rights will be forfeited.

Forms for the registration are available at the offices of Local Registrars of Vital Records and County Clerks in every county and at Vital Records office in Boise. There is a registration fee payable to Vital Records. Check or money order must accompany the completed registration form to the Vital Records office.

The legislature finds that the rights and interests of all parties affected by an adoption proceeding must be considered and balanced in determining what constitutional protections and processes are necessary and appropriate.

Registration of notice of commencement of paternity proceedings pursuant to chapter 15, title 16, Idaho Code, shall not satisfy the requirements of chapter 82, title 39, Idaho Code.

More information may be obtained from all Idaho adoption agencies, the county clerks in each county, or by calling Vital Records at (208)334-5990.
