C.L. "BUTCH" OTTER - Governor

RICHARD M. ARMSTRONG - Director

Dear Residential Habilitation Agencies Providing Affiliation Services:

On February 26, 2012, the United States District Court of Idaho granted a motion to vacate the injunction imposed in part by *Knapp vs. Armstrong*, Case No. 1:11-cv-00307-BLW. This decision allows the Department to implement the contract with Community Partnerships of Idaho (CPI) for Developmental Disability program coordination for Certified Family Homes (CFH) providing Residential Habilitation.

The contract with CPI will be implemented March 15, 201, and claims using procedure code T2025 (Residential Care [NOS] Waiver per Diem) will not be reimbursed for any date of service after March 14, 2012.

Residential Habilitation Agencies should continue to provide necessary affiliation services through March 14, 2012, to assure no interruption of the CFH provider's ability to implement residential habilitation. It is also the Department's expectation that Residential Habilitation Agencies will spend this time gathering and submitting the documents identified below to the Department's contractor. These expectations are consistent with IDAPA 16.04.17.201.03.e "Rules Governing Residential Habilitation Agencies." Please send the following items to CPI:

- 1. Current implementation plans
- 2. Formal programs
- 3. Home alone/safety plans
- 4. Behavior plans
- 5. Current provider status reviews

This information can be mailed or submitted electronically to CPI at:

Community Partnerships of Idaho 3076 N. Five Mile Rd. Boise, ID 83713 (208) 376-4999 reshabcpi@mycpid.com

During this transition, if you need to speak to someone at the Department, please contact the Bureau of Developmental Disability Services at (208) 364-1960.

Sincerely,

PAUL J. LEARY Administrator
