

HIGHLIGHTS of the
Idaho Emergency Medical Services **Physician Commission** (EMSPC)
September 16, 2011 Meeting

- Election of Officers

Commissioner Murry Sturkie will remain as Chairman

Commissioner Adam Deutchman will remain as Vice-Chair

- Appointments

W. Eric Chun, M.D. was appointed by the Governor's Office to represent the Idaho Fire Chiefs Association

Vacancies remain for the American Academy of Pediatrics, Idaho Chapter, and a Citizen Representative position. Interested parties can apply at

<http://gov.idaho.gov/admin/appointment.html>

The Governor's Office would like the Citizen Representative not to be an EMS provider.

- Removal of AEMT Orotracheal Intubation as an OM (optional module) skill

The Commission voted to remove Orotracheal Intubations as an option module skill from the AEMT scope of practice. This will become effective at the close of the 2012 Legislature next spring when the 2012-1 EMSPC Standards Manual becomes effective. This topic may be discussed again at the November 18th meeting.

- Possible addition of Supraglottic Airway and IV Access as Optional Modules to the New Scope EMT

Join the discussion about possibly adding Advanced Airway and IV Access as optional modules to the new scope EMTs. Read the minutes for a few details and prepare for this topic to be discussed further at the November 18th meeting.
