### State of Idaho EMS:

The Bureau of EMS & Preparedness maintains three (3) full sets of BLS training equipment that can be signed for and loaned out to an EMS Agency in need of equipment that are hosting an initial EMS course. The borrowing agency takes full responsibility of the equipment and must ensure that it is all accounted for and kept in serviceable condition upon return to the Bureau. Items that are lost or damaged beyond normal wear and tear must be replaced at the agency's expense.

If your agency would be interested in utilizing one of the Education Equipment Kits, please contact Deborah L. Surjan at [Surjand@dhw.idaho.gov](mailto:Surjand@dhw.idaho.gov) or please call 208-334-4000.

Thank you,

*Deborah L. Surjan*
