The Largest EMS Conference and Trade Show in North America

WHERE THE WORLD OF EMS CONVERGES FOR EDUCATION & INNOVATION

EMS World Expo sets the standard in education, offering the training EMS professionals need to do their job today, coupled with the progressive curriculum and technology that provides solutions for tomorrow. Join us in New Orleans for an industry-leading event that delivers:

- 130+ CEU-certified educational sessions led by top industry experts
- State-of-the-art technology, products and services from 350+ exhibitors in the industry's largest exhibit hall
- Hands-on learning opportunities including ridealongs, skill-building workshops, the SimLab and Active Shooter Simulation
- Free CE in the Exhibit Hall Learning Center
- Exclusive co-located events like the World Trauma Symposium
- More international networking opportunities than any other national event

Special Registration Discount

The Idaho EMS is partnering with EMS World Expo to provide discounted registration. Enter code IDEMS to save \$100 off the 3-day conference (and additional \$25 for NAEMT members) and/or receive a FREE exhibit hall pass.
