## Initial EMS Courses

Initial Courses by County, Type, & Level

Course Start Date Range: 10/01/2015

### Report Description:

This report shows all upcoming initial courses the Bureau of EMS and Preparedness has approved for the date range listed above. For information on enrolling in any of the courses listed below, contact the sponsoring institution. Courses are usually approved by the Bureau 30-90 days in advance of the course start date and courses will appear on this report as soon as they are approved. This report will be updated weekly. Please be advised that some states may require specific educational criteria that Idaho does not. Please check with the State EMS licensing authority in the state in which you plan to seek licensure to ensure that your educational program meets their requirements.
