Dear Ms. Gill:

On September 8, 2011, a State Licensure survey was conducted at Ashley Manor - Crescent.. The facility was found to be providing a safe environment and safe, effective care to residents.

The enclosed form, stating no core issue deficiencies were cited during the survey, is for your records only and need not be returned.

Please bear in mind that 5 non-core issue deficiencies were identified on the punch list and 2 were identified as repeat punches. As explained during the exit conference, the completed punch list form and accompanying proof of resolution (e.g., receipts, photographs, policy updates, etc.) needs to be submitted to our office no later than October 8, 2011

If the facility fails to submit acceptable evidence of resolution within sixty (60) days from when the facility was found out of compliance, or on a subsequent survey visit, it is determined that any of these deficiencies still exist, the Department will have no alternative but to initiate the enforcement of civil monetary penalties, as described in IDAPA 16.03.22.910.02 and IDAPA 16.03.22.925.

Please ensure the facility is continually monitoring its compliance with state rules, as further repeat punches identified during future surveys could result in enforcement actions including:

- a. Issuance of a provisional license
- b. Limitations of admissions to the facility
- c. Hiring a consultant who submits periodic reports to the Licensing and Certification
- d. Civil monetary penalties

Our staff is available to answer questions and to assist you in identifying appropriate corrections to avoid further enforcement actions. Should you require assistance or have any questions about our visit, please contact us at (208) 334-6626. Thank you for your continued participation in the Idaho residential care assisted living facility (RALF) program.

Sincerely,
