## Region 1

Michele Kolb, R.N. 208-664-6989  
A Better Personal Care, Inc.

Michele has lived and worked in Northern Idaho for over 20 years. Her experience includes 10 years with the Department of Health and Welfare as a Nurse Reviewer, working to approve clients for services in the home setting. She has also worked in Long Term Care, Residential Assisted Livings, and Personal Care Services. Michele believes it is important for people to live in the setting that allows them to take charge of their lives. With her broad experience in working with the aged and disabled, she is looking forward to being your advocate and helping you maximize your independence with any needed available supports.

Michelle Porter 208-216-9294  
Disability Action Center (DAC)

Michelle Porter has 23 years of personal experience using a wheelchair after she was in a car accident which left her paralyzed from the waist down. She has over 4 years of experience assisting people to live a more independent life through DAC. Michelle was an Independent Living Specialist, worked with Assistive Technology and also helped make homes accessible for persons with a disability. She also participated in making more accessible transportation in our area. Living independently herself, Michelle understands the importance of living an independent life and the freedom of making your own life choices.

Nancy Hosley 208-476-3714  
Compassionate Care, Co.

Nancy studied Business Administration through the University of Florida from 1994 to 1996. In 1995 she began a 21 year Health Care career, focusing on home and community bases services through the state of Idaho for our Aged and Disabled population. In 2001 she became the administrator for a personal care service agency in Orofino, Idaho; A Compassionate Care Company. Her career has given her the opportunity to collaborate with the state as well as federal and local agencies to form compliance policies in order to ensure the best service is provided by the company. Nancy has also had the pleasure of sitting as a team member to develop States Home Care Association and served as Secretary for the association in 2009.
