Ruby Messerli 208-522-5391

Eastern Idaho Community Action Partnership

Area Agency on Aging

Ruby currently works in the Area Agency on Aging in Idaho Falls. She has worked in service positions for several years. Ruby is a Supportive Services Technician and is an expert in Information and Assistance. Her duties include assessing the needs of individuals, in particular, the aged population and vulnerable adults. She advises on options available to this population in the agency and community and makes the appropriate referrals.

Diane Nielsen 208-529-8610

Living Independently For Everyone

Diane has worked with LIFE, Inc. for over 18 years and has been called upon to provide attendant care, personal care, homemaker services, and respite care. She has worked in some capacity of caregiving for over 30 years. Diane has also taken care of her Dad and Sister and considers herself to be a natural born caregiver. She has compassion and has great listening and communication skills. She enjoys working with people and takes great pride in the achievements – no matter how big or small- that she and the person with a disability that she is working with are able to accomplish. Diane has lived in the Idaho Falls area the majority of her life and has 4 kids and 5 grandchildren. She loves spending time with her family, reading, and enjoying the mountains and the ocean.

Camille North 208-270-7082

Grand Teton Service Group

Camille has worked with people with disabilities and mental illness since about 1997. She earned her Social Work degree in 2003 from Idaho State University and has since enjoyed working as a case manager for adults with mental illness. She has also worked as an IBI Therapist for children with severe behavioral needs, and a QIDP for Grand Teton Service Group serving those with disabilities and mental illness. Camille has been an advocate for those people she has served for the last 18 years and has a strong desire to continue advocating and facilitating others to become as independent as possible in their lives.

Brian Payton 208-522-5391
