

	L-CODE	LIMITATIONS		
	Pertinent Regulations	Color Guide		
	IDAPA 16.03.09.772.02. Program Limitations. The following limits apply to all prosthetic and orthotic services and equipment:	Products in each color-coded group are limited to the number listed for any combination of products in that group.		
	a. No replacement will be allowed for prosthetic or orthotic devices within sixty (60) months of the date of purchase except in cases where there is clear documentation that there has been major physical change to the residual limb, and ordered by the attending physician.			
	b. Refitting, repairs or additional parts must be limited to once per calendar year for all prosthetics and/or orthotics unless it has been documented that a major medical change has occurred to the limb, and ordered by the attending physician;			
	Not every L code falls under the rule in 16.03.09.772.02 From HCPC Manual - "L codes include orthotic and prosthetic procedures and devices, as well as scoliosis equipment, orthopedic shoes, and prosthetic implants.
