## **Office of Performance Evaluations Survey**

The Office of Performance Evaluations (OPE), an independent office of the Legislature, is conducting a second follow-up on its report, *Delays in Medicaid Claims Processing*. As part of its follow-up work, OPE is conducting a survey of Medicaid providers to learn more about their current experiences with the system.

If you are interested in participating in the survey and haven't already done so, please click on the link below. All of your information will be kept confidential and no individual information will be shared in OPE's report.
