SUBJECT: DUI Evaluation Training

Significant changes to Idaho's DUI evaluation system will take effect July 1, 2013. Programs and facilities approved under IDAPA 16.07.20 will be providing DUI evaluations to the court. Idaho Criminal Misdemeanor Rule 9.4 has been amended to include new requirements for evaluations, including the use of a standard report form, consideration of the defendant's driver license record, and use a criminogenic risk/need screening to develop recommendations. Further, MCR 9.4 will allow the court to return noncompliant DUI evaluation reports to the evaluator for correction.

To support these changes, providers are invited to attend a webinar that will provide an overview of MCR 9.4, provide instruction on completing the DUI evaluation report form, and train providers to administer required criminogenic risk/need screening tools. The webinar will be offered on the following dates:

- June 6, 2013 from 9:00 A.M. to 12:00 P.M.
- June 13, 2013 from 1:00 P.M. to 4:00 P.M.
- June 14, 2013 from 9:00 A.M to 12:00 P.M.
