RE: Provider Applications and Contracts

BPA is asking all treatment and recovery support service providers to fill out new applications and sign new contracts. This will help us update our information and remove information that is no longer valid.

An application and contract will be sent to the Executive Director on file for your organization tomorrow September 25, 2013. We ask all providers to complete the application and contract as soon as possible. We will follow-up with you if we have not received your completed applications and contract on or before October 11, 2013.

If you have any questions, please do not hesitate to contact our office.
